

BOOTHAM HEADING FOR SUPER SERIES NORTH

Bootham Ladies' Futsal Club – York have been accepted into the FA Futsal Women's Super Series North

North Riding FA would like to congratulate Bootham Ladies' Futsal Club – York, who have been accepted into the FA Futsal Women's Super Series North.

This is the culmination of a five-year journey that started with a group of U14 girls training on a Sunday in the centre of York.

Futsal is the fastest growing team sport in the world and to be accepted into the National League is a real statement by the York club.

Last year, BT Sport announced a 3-year deal to show live men and women's futsal over eight weekends throughout the year. Viewing figures have exceeded expectations and the future for futsal in the UK has never been brighter.

Club Chairman, Chris Collins, said in interview: "We are so delighted to accept this invitation to the league. It follows a detailed application and rigorous interview process where we were challenged on our development plan, finances, and vision for the future. We know this is not going to be easy, but we have assembled a very strong mixed squad of exciting young talent, alongside players with national league futsal experience. We honestly can't wait for the matches to begin."

The club is on the lookout for any exciting players, aged 16 plus, who would like to be part of this very exciting journey. The club is also looking for potential sponsors who would like to get involved with the club.
